

# START YR FIRES

Begin in basements  
Under those homes  
Owned by the type  
Of Family Men  
Who run the slums  
& keep the ghetto wheels  
Turning

Spread them wide  
Start yr fires.

Erase yr currency  
Blackout yr  
Punchcards &  
Wreck the clock

Fuck yr  
Status &  
Burn what's over-  
Due

Start yr fires,  
Begin w/ R.I.P.
