

WATT SONG is WATT POETRY •

Is about CADENCE

Is about

shovels on stone
picks on the line
about breaking chains
off the gang

Watt Song is Watt Poetry

Is about

stripping gears
oil pans bone dry

Is about ball-bearings loosed
on the machine shop floor

Watt Song is Watt Poetry

Is about

CADENCE of chance
about banging action on oil drums
in an Oakland dock or
Baltimore port

Watt Song is

For you &

For me

Watt Song is Watt Poetry
Is Unity
